### UPCOMING EVENTS:

**June 27 Korean Martial Arts and Culture Show 7:00 PM** Rochester, MN.

This annual event is a part of the Korean Masters Seminar. All SMD seminar participants are welcome to perform their martial arts regardless of origin. This year's event will include demonstrations by: color belts, black belts, and the White Tiger Demo Team, Inc. Martial arts performed will be: in Taekwondo, Hapkido, Yudo, SimMuDo, and weaponry. This event will be followed by a fun filled evening of music and dance.

**June 29 Simmudo Promotion Test 2:00 PM** Rochester, MN.

The Korea SimMuDo Association provides certification in the art of SimMuDo itself. SimMuDo is a comprehensive approach to the martial arts consisting of a balanced emphasis in strikes and kicks, throws, joint locks, and weaponry. Many of you probably already train like this and would like recognition for your training through a Korean based certifying organization. Others of you may have this interest but lack the additional training in a particular area. The Korea Simmudo Association provides you with both training and certification to meet this need. If you are interested in this certification, please call 507-281-4335 or email fgommels@rconnect.com.

### TRAINING VIDEOS: Volume-I currently available

Volume-I is an over-view of the general areas of training in Simmudo. This is a combination training and demonstrational video. It gives you an excellent preview to the training that will be taught in the 2003 seminar. Many of you have already purchased this video. It can be purchased for a wholesale price of \$20.00 plus shipping. At the suggestion of one of our new members we are in the process of putting the complete black belt ranking system in video format. We will be working on this with GM Song and will keep you updated on the progress.

### NEW MEMBERS:

We would like to put all members' photos and contact information on the Simmudo website. Please send in: your photo (from shoulder up), name, and contact info (email address, phone, website, etc.) Email this info to Fred Gommels at: fgommels@rconnect.com

### PLEASE NOTE:

On behalf of GrandMaster Song and the Korea/USA SimMuDo Association, I wish to encourage you to attend the Korean Masters training. This will be a chance for you to connect personally with GM Song.
